Upcoming Meetings

Since the beginning of this year, Parkmerced has been meeting with neighbors and our residents to gather input on how to improve the property for the future. We have now expanded upon some concepts that we'd like to share as we continue our planning. In addition to the October 4 community meeting, we will be meeting again November 15 and December 6 to further discuss transportation, housing, retail and community benefits.

Have thoughts about traffic and parking in the area?
We'd love to hear them! Attend Parkmerced's October 4, 2007 community meeting to take a survey. Also coming soon to www.parkmerced.com.
